FORME COLLECTION – TOP SELLING RANGE !

A contemporary reinterpretation of a great Italian classic. The range (800x800mm) combines the warmth and appeal of “baked earth” texture with all the benefits of porcelain. Plus, complementary subways in matt and glossy shades. In the Brick subway range, ceramic material receives a tactile structure, with the unevenness and flaws typical of hand-crafted pieces, whilst the Lux tiles complete the colour range with three shades: Ocra, Bianco and Azure.
